

Blindware means innovation

If it's a clean design you're going for... then you need the NEW **SunBoss** Double Fascia by Blindware.

Clean design to match roller blind perfectly

- ✔ Double Fascia has been designed to allow easy fabric wrapping
- ✔ Colour coordinated end covers to create a clean, stylish look from any angle
- ✔ Base rails fully retract inside the fascia profile so the blind looks great and functions well while maintaining a minimalist appearance

Easy to install

- ✔ Can best be face or side mounted to give consumers flexibility and choice
- ✔ The Double Fascia works with existing SunBoss parts to ensure an uncomplicated installation process and a higher chance of customer satisfaction
